

Design After the End of the World: Speculative Design and Climate Reading Group

Reading List 2020

Week 1

- Introductions, establishing ground rules for group discussions.
- Individual share out of art & professional practices:
 - What are you working on?
 - What do you want to be working on?
 - Something you want to integrate this work into
- *Activity*: The Thing From the Future (<https://futuresflip.vercel.app/>)

Week 2

- Anthony Dunne and Fiona Raby. *Speculative Everything: Design, Fiction and Social Dreaming*. Preface, Chapters 1–2.
- Julian Bleeker. "Design Fiction: A short essay on design, science, fact and fiction."

Week 3

- Shelley Streeby. *Imagining the Future of Climate Change: World-Making through Science Fiction and Activism*. Chapter 1: "#NoDAPL: Native American and Indigenous Science, Fiction, and Futurisms."
- *Anamata Future News* (https://www.youtube.com/watch?v=S_35LvIKBp4)
